

SUPREME COURT OF GEORGIA
Case No. S15C1903

Atlanta, January 11, 2016

The Honorable Supreme Court met pursuant to adjournment.

The following order was passed.

CERTAINTEED CORPORATION v. MARCELLA FLETCHER

Court of Appeals Case No. A15A0527

The Supreme Court today granted the writ of certiorari in this case. All the Justices concur.

This case will be assigned to the April 2016 oral argument calendar automatically under Supreme Court Rule 50 (2), as amended September 13, 1996. Oral argument is mandatory in granted certiorari cases.

This Court is particularly concerned with the following issue or issues:

Did the Court of Appeals err in reversing the grant of summary judgment to a manufacturer of asbestos-laden products on the plaintiff's negligent failure-to-warn and negligent design claims where the plaintiff's alleged injury was not caused by use of, or direct contact with, the product but by her exposure to toxic dust brought home on clothing worn by the person actually working with the product?

Briefs should be submitted only on these points. See Supreme Court Rule 45.
