

SUPREME COURT OF GEORGIA

Case No. S16D0194

Atlanta November 12, 2015

The Honorable Supreme Court met pursuant to adjournment.

The following order was passed.

MICHAEL H. HULSEY v. JULIE CARPENTER HULSEY

Upon consideration of the application for discretionary appeal filed in the above-styled case, the application is hereby determined to have possible merit and is, therefore, granted pursuant to this Court's Rule 34 (4) regulating applications to appeal in certain divorce and alimony cases.

The Court is particularly concerned with the following issue(s):

1. Did the trial court abuse its discretion in granting Wife a \$1,404.05 per month downward parenting time deviation in child support?
2. Did the trial court err by attributing \$3,480 in "salary and wages" income to Husband?
3. Did the trial court err by granting an income tax dependency exemption to the non-custodial parent (Wife) in alternating years? See Bradley v. Bradley, 270 Ga. 488 (512 SE2d 248) (1999); Blanchard v. Blanchard, 261 Ga. 11 (401 SE2d 714) (1991).

The appellant's notice of appeal must be filed in the trial court within ten days of the date shown above. Once the record is received from the trial court and docketed in this Court, notices will be mailed to all counsel showing the date of docketing and the case number assigned. The appellant's enumeration of errors and briefs will be due in this Court within 20 days of docketing; the appellee's briefs will be due within 40 days of docketing, or within 20 days of the filing of appellant's briefs, whichever is later. See Rule 12.

All the Justices concur, except Hunstein, J., who dissents as to questions 1 and 2.

SUPREME COURT OF THE STATE OF GEORGIA
Clerk's Office, Atlanta

I certify that the above is a true extract from the minutes of the Supreme Court of Georgia.

Witness my signature and the seal of said court hereto affixed the day and year last above written.

 , Chief Deputy Clerk
